

## Extrusions

***Can we have what length we require?***

Yes we can cut to length up to approximately 6 metres, tolerances would apply.

***Can you make profiles in different softness's?***

Yes we can make in either rigid or flexible PVC and we can also combine the two in the same profile.

***Can you manufacture in other materials than PVC?***

Yes we can manufacture in ABS, Polypropylene and Polycarbonate.

***Can you make profiles look like wood?***

Yes we can both hot foil and wrap in woodgrain and abstract finishes.

***Can specific colours be matched?***

Yes we can match specific colours depending on volume required.
